EXPERIENCE

Dreamzsop Advertising Pvt Ltd, Noida — Web Developer

Sep 2024 - Present

I am currently responsible for developing the front-end UI and admin panels for two projects using MERN Stack and Next.js (App Router). My work includes creating and consuming RESTful APIs with Mongoose, integrating Firebase for notifications, implementing Razorpay for payments, and building responsive UIs using ShadCN.

HoldOnWorld, Noida — Web Developer

Apr 2024 - Sep 2024

My responsibility was to develop the front-end UI using Next.js (App router) and manage data operations by creating and fetching data through RESTful APIs using Mongoose.

Sygnius Digital Pvt Ltd, Noida — Web Developer Intern

Feb 2024 - Apr 2024

My responsibility was to create the UI using Next.js, including working on features like the hotel date picker and fancy box slider. Additionally, I handled data operations, fetching data through RESTful APIs with Mongoose.

EDUCATION

V. B. S. Purvanchal University, Jaunpur — B.Tech(CSE)
